My Aims for ENDA

I seek to be elected to the position of Vice President for ENDA in order to further develop the scope of influence of the association. Within ENDA, I represent the Italian Nurse Directors Association and can draw on their thirty years of experience. If elected as Vice President, the following key themes will receive my personal attention:

- ▶ Furthering the development of the identity of the role of the Nurse Director in all European Health organisations.
- ▶ Promote the diverse responsibilities in the roles within the changing organizational models of nursing.
- ▶ Focus on membership promotion with particular emphasis on new EU countries.
- ▶ Continue to lead the development of ENDA's code of ethics for Nurse Directors.
- ▶ Support the key aims of ENDA with a particular drive to embed evidence based management practices in our work and promote research.
- ▶ *Prepare to welcome YOU in ROME at the ENDA congress in 2011*

Above all, I wish that all my efforts within ENDA and my work remain firmly based in keeping the wellbeing of our clients at the heart of our endeavours.
